Other Fundraising ideas

Bag Packing - This method of fundraising has proved to be very successful in the past. Kevin is to ring different stores to arrange bag packing.

School Car Wash (advertising Coast-to-Coast).

Hamsterley Training

During the second week of the Easter holidays Kevin would like to take the group to Hamsterley Forest to build fitness and biking ability in an off road environment. This will not be compulsory training as it is expected that some people will have holiday commitments. It is hoped that some people may want to take advantage of the activities to benefit their fitness and to give them something constructive to do during the holidays to stop them from getting bored.

Prissick rides will finish on 13 March 2013 and there will be another fitness test following this probably week beginning 25 March 2013.

Next group meeting: Friday 8th March 2013 (in Conference Room)
