

'3Cs' Meeting 22nd June 2012

Present

Kevin Kilcullen (Local Motion Cycling Officer)

Mrs Lewis (School Champion)

David Streits 10A

Harry Carvey 10A

Francesca Sinclair 7L

Hannah Briggs 7

Hannah Chyriusky 7

Apologies:

Mrs Livingston

Ellie Emmerson

Charlotte Humphrey

Kevin opened the meeting welcoming member, but also added his disappointment at low numbers **YET AGAIN!!**

1. UPDATE on Prissick (Middlesbrough) Cycling Circuit:

- Only 6 students (Harry Carvey, David Streits, Hannah Briggs, Hannah Chyriusky, Aleysha Bell and Regan Heseltine) signed up,
- They are very keen and **REALLY** enjoying the sessions
- Halfway through the sessions now, 1 had to be cancelled, but it has been moved to the end - **Wednesday 4th July**.
- Kevin has been along to 2 sessions and helped the coaches out

2. Beauty and the Bike

- One final session planned (**Thursday 28th June**) where Kevin will give out the prizes (hoody's and **SURPRISES!**) to the group.

3. Future Events:

- **The "Big Ride" (Darlington to Stockton 14 miles - 28 mile round trip)**
 - **Friday 13th July**
 - Prissick sessions are meant to be the build-up to this although as only 6 are going concern about the fitness of extra riders....
 - The aim is this is the taster to the **C2C**
 - **Mrs Lewis CANNOT** make the date as she is moving house that weekend! However, **Mr Reynard HAS AGREED** to go, and we are going to ask Mr Holt AND Mr Biddle.
 - **Reminder** that we would not arrive back at school until after 7pm.
 - **However**, it will still obviously greatly depend on weather on the day

- **C2C (Coast to Coast)**
 - **Whitehaven to Sunderland (140 miles)** over 3 days, ideally Fri.-Sun.
 - Should we change to "Castles and Coasts" (cheaper accommodation), want to stick with C2C.
 - Date was discussed - penultimate weekend before break-up in July OR weekend of half-term. It was mentioned about having the Friday off school as part of the ride. **Mrs Lewis to check.**
 - Kevin has been investigating the logistics (support vehicle, accommodation, meals etc.) of the ride taking place over a 3 day period.
 - It was mentioned that it could be done as a relay for the weaker riders, either each did a section per day and travelled in the support vehicle OR just do one full day?
 - Fundraising was also discussed (as costs were ROUGHLY £90 per person), a few ideas suggested, with **pupils sent to come up with ideas for NEXT MEETING.**

4. AOB

- **"Cycling for schools"** Mrs Lewis attended this course in May half-term and really enjoyed it. Watch this space now.....
- **A HUGE THANKS** to Kevin for his tireless work that he does for us with cycling 😊

Next meeting: TBC - next September!
